Craigslea State High School has an excellent reputation for high academic standards, with a genuine commitment among staff, students and homestay families to ensure our international students enjoy the highest quality study experience. We are centrally located, close to the city, with easy access to both the Sunshine and Gold Coasts.

Craigslea has a long established international program, and consistently achieves very high student satisfaction levels for teaching and homestay.

Our school provides a quality education where students are both challenged and supported in a well-ordered, caring environment. Experienced and highly qualified teachers work individually with students of all ability levels.

Three reasons to choose Craigslea State High School

1. The International Student Program provides personalised academic and wellbeing mentoring, including English language teaching and support
2. Specialist science programs, including marine biology and visits to the Great Barrier Reef
3. Extensive music performance program, including tours
