Local area features

Freshwater Senior Campus is located 30 minutes from Sydney's city centre on Sydney's Northern Beaches. Residents enjoy an active outdoor lifestyle with access to surfing, beaches, sailing, golf clubs and cultural activities.

“Freshwater is a fantastic place to learn. Just having Years 11 and 12 gives us many opportunities that a 7-12 high school does not. I like the adult learning environment where I'm encouraged to think about my life and role in the world.”
